INFORMATION CIRCULAR

(Containing information as at July 23, 2024 unless indicated otherwise)

SOLICITATION OF PROXIES BY MANAGEMENT

This Management information Circular (the “Circular”) is furnished in connection with the solicitation by the management of the Corporation of proxies to be used at the annual and special meeting of shareholders (the “Meeting”) of the Corporation to be held at the time and place and for the purposes set out in the Notice of Meeting. It is expected that the solicitation will be made primarily by mail. However, officers and employees of the Corporation may also solicit proxies by telephone, telecopier, e-mail or in person. The total cost of solicitation of proxies will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

In light of the ongoing public health concerns related to COVID-19 and in order to comply with the measures imposed by the federal and provincial governments, the Corporation is strongly encouraging Shareholders not to attend the Meeting in person. The Corporation will be strictly restricting physical access to the Meeting and only registered Shareholders and formally appointed proxy holders will be entitled to attend. In order to comply with government orders concerning the maximum size of public gatherings and required social distancing parameters, the Corporation may be unable to admit Shareholders to the Meeting. The Corporation strongly encourages Shareholders to vote by proxy.

To further mitigate the risk of the spread of this virus, the Meeting will be made accessible by audio conference at 1 800 669 6180 (Canada and US) Participant Code 760405. This call will be listen-only and shareholders will not be able to vote or speak at, or otherwise participate in the Meeting via the conference call.

A Registered Shareholder who is unable to attend the Meeting in person is requested to complete and sign the enclosed form of proxy and to deliver it to Computershare Investor Services Inc. (i) by mail or hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or (ii) by facsimile to 416-263-9524 or 1-866-249-7775. A Registered Shareholder may also vote using the internet at www.investorvote.com or telephone at 1-866-732-8683. In order to be valid and acted upon at the Meeting, the form of proxy must be received no later than 5:00 p.m. (eastern time) on August 27, 2024 or be deposited with the Secretary of the Corporation before the commencement of the Meeting or any adjournment thereof.

The document appointing a proxy must be in writing and executed by the Registered Shareholder or his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

A Registered Shareholder submitting a form of proxy has the right to appoint a person (who need not be a shareholder) to represent him or her at the Meeting other than the persons designated in the form of proxy furnished by the Corporation. To exercise that right, the name of the Registered Shareholder’s appointee should be legibly printed in the blank space provided. In addition, the

Registered Shareholder should notify the appointee of his or her appointment, obtain his or her consent to act as appointee and instruct the appointee on how the Registered Shareholder's shares are to be voted.

Shareholders who are not Registered Shareholders should refer to "Notice to Beneficial Shareholders" below.

Revocation of Proxy

A Registered Shareholder who has submitted a form of proxy as directed hereunder may revoke it at any time prior to the exercise thereof. If a Registered Shareholder who has given a proxy personally attends the Meeting at which that proxy is to be voted, that Registered Shareholder may revoke the proxy and vote in person. In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Registered Shareholder or his attorney or authorized agent and deposited with (i) Computershare Investor Services Inc. at any time up to 5:00 p.m. (eastern time) on August 27, 2024 by mail or by hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or by facsimile to 416-263-9524 or 1-866-249-7775, (ii) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or (iii) with the chairman of the Meeting on the day of the Meeting before the commencement thereof, or any adjournment thereof, and upon any such deposit, the proxy will be revoked.

Notice to Beneficial Shareholders

The information set out in this section is of importance to many shareholders, as a substantial number of shareholders are Beneficial Shareholders and do not hold shares of the Corporation in their own names. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders (shareholders whose names appear on the records of the Corporation as the registered holders of shares) can be recognized and acted upon at the Meeting or any adjournment(s) thereof. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Corporation. Those shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their nominees can be voted (for or against resolutions or withheld from voting) only upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. Subject to the following discussion in relation to NOBOs (as defined below), the Corporation does not know for whose benefit the shares of the Corporation registered in the name of CDS & Co., a broker or another nominee, are held.

There are two categories of Beneficial Shareholders for the purposes of applicable securities regulatory policy in relation to the mechanism of dissemination to Beneficial Shareholders of proxy-related materials and other securityholder materials and the request for voting instructions from such Beneficial Shareholders. Non-objecting beneficial owners ("NOBOs") are Beneficial Shareholders who have advised their intermediary (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Corporation, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. Securities legislation restricts the use of that information to matters strictly relating to the affairs of the Corporation. Objecting beneficial owners ("OBOs") are Beneficial Shareholders who have advised their intermediary that they object to their intermediary disclosing such ownership information to the Corporation.

NI 54-101 permits the Corporation, in its discretion, to obtain a list of its NOBOs from intermediaries and use such NOBO list for the purpose of distributing the Notice Package directly to, and seeking voting instructions directly from, such NOBOs. As a result, the Corporation is entitled to deliver the Notice Package to Beneficial Shareholders in two manners: (a) directly to NOBOs and indirectly through intermediaries to OBOs; or (b) indirectly to all Beneficial Shareholders through intermediaries. In accordance with the requirements of NI 54-101, the Corporation is sending the Notice Package directly to NOBOs and indirectly through intermediaries to OBOs. The cost of the delivery of the Notice Package by intermediaries to Beneficial Shareholders will be borne by the Corporation.

The Corporation has used a NOBO list to send the Notice Package directly to NOBOs whose names appear on that list. If the Corporation's transfer agent, Computershare Investor Services Inc., has sent these materials directly to a NOBO at the request of the Corporation, such NOBO's name and address and information about its holdings of shares of the Corporation have been obtained from the intermediary holding such shares on the NOBO's behalf in accordance with applicable securities regulatory requirements. As a result, any NOBO of the Corporation can expect to receive a VIF from Computershare Investor Services Inc. NOBOs should complete and return the VIF to Computershare Investor Services Inc. in the envelope provided. In addition, telephone voting and internet voting are available; instructions in respect of the procedure for telephone and internet voting can be found in the VIF. Computershare Investor Services Inc. will tabulate the results of VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by such VIFs.

Applicable securities regulatory policy requires intermediaries, on receipt of Notice Packages that seek voting instructions from Beneficial Shareholders indirectly, to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings on Form 54-101F7 (Request for Voting Instructions Made by Intermediary). Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting or any adjournment(s) thereof. Often, the form of request for voting instructions supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to Registered Shareholders; however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. Beneficial Shareholders who wish to appear in person and vote at the Meeting should be appointed as their own representatives at the Meeting in accordance with the directions of their intermediaries and Form 54-101F7. Beneficial Shareholders can also write the name of someone else whom they wish to appoint to attend at the Meeting and vote on their behalf. Unless prohibited by law, the person whose name is written in the space provided in Form 54-101F7 will have full authority to present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in Form 54-101F7 or this Circular.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). In forwarding the Notice Package to Beneficial Shareholders, Broadridge typically includes a VIF in lieu of the form of proxy that some intermediaries employ. Beneficial Shareholders are requested to complete and return the VIF to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free telephone number to vote the shares held by them or access Broadridge's dedicated voting website at <https://central-online.proxyvote.com> to deliver their voting instructions. Broadridge will then provide aggregate voting instructions to the Corporation's transfer agent and registrar, which will tabulate the results and provide appropriate instructions respecting the voting of shares to be represented at the Meeting or any adjournment(s) thereof.

All references to shareholders in this Circular, the enclosed form of proxy, and the Notice of Meeting are to the Registered Shareholders unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

Shares represented by properly-executed proxies or VIFs in favour of the persons designated in the enclosed form of proxy or voting information forms, in the absence of any direction to the contrary, will be voted for the: (i) election of directors; (ii) appointment of the auditor; and (iii) resolution approving and confirming the amended equity incentive plan, and all other security- based compensation arrangements of the Corporation, (iv) resolution approving the grant of options, as stated under such headings in this Circular. The shares represented by the proxy or VIF will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for, and if a shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. With respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting, such shares will be voted by the persons so designated in their discretion. At the time of printing this Circular, management of the Corporation knows of no such amendments, variations or other matters.

VOTING SHARES

As at the date of this Circular, there were 25,921,036 issued and outstanding Common Shares of the Corporation (the “Common Shares”).

Each Common Share entitles the holder thereof to receive notice of and attend all meetings of Shareholders and to vote at such meetings, except meetings at which only holders of a specified class or series of shares are entitled to vote.

Each holder of record of a Common Share on July 25, 2024, the record date established for notice of the Meeting, will, unless otherwise specified in this Circular, be entitled to one vote for each Common Share held by such holder on all matters coming before the Meeting, except to the extent that such holder has transferred any such Common Shares after the record date and the transferee of such Common Shares establishes ownership of such Common Shares and makes a written demand, not later than ten (10) days before the Meeting, to be included in the list of Shareholders entitled to vote at the Meeting, in which case the transferee will be entitled to vote such Common Shares at the Meeting.

The Corporation’s By-Laws provide that the quorum at a meeting of the shareholders of the Corporation shall be constituted by the attendance of two individuals, present in person or represented by proxy, holding at least 5% of the votes attached to outstanding voting shares.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Interpretation

“Named executive officer” (“NEO”) means:

- (a) a Chief Executive Officer (“CEO”);
- (b) a Chief Financial Officer (“CFO”);
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are Dean Hanisch, CEO, Jeffrey York, CEO, and Judith Mazvihwa-MacLean, CFO.

Compensation Program Objectives

The objectives of the Corporation’s executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Corporation’s continued success;
- to align the interests of the Corporation’s executives with the interests of the Corporation’s shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Corporation is a mining company involved in exploration and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Corporation to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Corporation’s executive compensation program has been designed to reward executives for reinforcing the Corporation’s business objectives and values.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary, performance bonus and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a bonus meant to motivate the NEO and is determined on a case by case basis. Awards under this plan are made by way of cash payments only, which payment are made at the end of the fiscal year.

Stock options are generally awarded to NEOs on an annual basis. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Corporation's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program

Intervention of the Board of Directors

Compensation of the NEOs of the Corporation is reviewed annually by the Board.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Board relies on the general experience of its members in setting base salary amounts.

Performance Bonuses

The bonus for each individual NEO is determined on a case by case basis. The factors considered in assessing the bonus amounts include, but are not limited to, the position of the NEO and expense control.

Stock Options

The Corporation has established a formal plan (the "**Equity Incentive Plan**") under which stock options and restricted share units are granted to directors, officers, employees, and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board determines which NEOs (and other persons) are entitled to participate in the Equity Incentive Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price and expiry date. For further information regarding the Equity Incentive Plan refer to section "*Securities Authorized for Issuance Under Equity Compensation Plans*".

The Board makes these determinations subject to the provisions of the existing Equity Incentive Plan and, where applicable, the policies of the TSX-V.

Assessment of Risks Associated with the Corporation's Compensation Policies and Practices

The Board has not proceeded to an evaluation of the implications of the risks associated with the Corporation's compensation policies and practices. The Corporation has not adopted a policy forbidding directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Corporation's securities granted as compensation or held, directly or indirectly, by directors or officers. The Corporation is not, however, aware of any directors or officers having entered into this type of transaction.

External Compensation Consultants

During the fiscal years ended September 30, 2022 and 2023, the Corporation did not retain the services of executive compensation consultants to assist the Board in determining compensation for any of the Corporation's NEOs or directors.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the performance bonuses and granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

CORPORATE GOVERNANCE PRACTICES

National Instrument 58-101 Disclosure of Corporate Governance Practices and *National Policy 58-201 Corporate Governance Guidelines* set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Board of Directors

1. Independent Directors

The independent directors of the Corporation are Robin Dow, Larry Segerstrom, and Donald Birak.

2. Non Independent Directors

The non-independent directors of the Corporation are Mr. Jeffrey York in light of his position as Chairman of the Board and, if elected, Dean Hanisch in light of his position as President & CEO.

Two of the current three directors are independent; the Board is thus composed of a majority of independent directors. Meetings of the Board are chaired by Jeffrey York. If necessary, the independent members of the Board can meet without non-independent directors and members of management present. Important matters are discussed with the Audit Committee of the Board, which is comprised for the most part of independent directors. These factors allow the Board to preserve its independence with respect to management of the Corporation and to exercise its independent supervision over management.

Directorships

The following directors are currently directors of other issuers that are reporting issuers (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction:

Name of Director	Issuer
Jeffrey York	Braille Energy System Inc. Focus Graphite Inc. Grocery Outlet Holding Corp.
Robin Dow	Focus Graphite Inc.

Name of Director	Issuer
Donald Birak	Silver Hammer Mining Corp.
Larry Segerstrom	Almadex Minerals Ltd. Giant Mining Corp. Great Eagle Gold Corp.

Orientation and Continuing Education

The Corporation does not currently have a formal orientation program for new directors. The Board has not at this time taken any measures to provide continuing education for the directors. However, the directors of the Corporation are encouraged to attend, at the Corporation's expense, any seminar given by the TSX-V or the Canadian Securities Administrators relating to the management of a public company or relating to their responsibilities as a director of a public company. Furthermore, the directors are given access to the Corporation's legal advisors for any questions they may have relating to such responsibilities.

Ethical Business Conduct

In light of the Corporation's stage of development and its limited number of employees, the Board has not taken formal steps to encourage and promote a culture of ethical business conduct.

Nomination of Directors

The Board does not have a nominating committee. The current size and composition of the Board allows the entire Board to take the responsibility for finding and nominating new directors, taking into consideration the competencies, skills, experiences, and ability to devote the required time.

Compensation

The process of compensation is described in the above section "Compensation of Executive Officers and Directors".

Other Board Committees

The Board does not have any standing committee other than the Audit Committee.

Assessments

To date, no formal evaluation has been put in place to evaluate the effectiveness of the directors, the descriptions of the positions held or the competence and qualifications that each director is required to bring to the Board. This task is the responsibility of the Board who punctually reviews its operations as well as its directors' role, and its members are encouraged to give feedback regarding the effectiveness of the Board as a whole, its practices and individual directors will, when necessary, make recommendations to the Board.

Disclosure on Diversity and Representation of the Board and Senior Management under the CBCA

The diversity information disclosed herein relates to the representation of women, Indigenous peoples (First Nations, Inuit and Metis), persons with disabilities and members of visible minorities, defined as designated groups, on the Board of Directors and in senior management of the Corporation as of July 16, 2024.

The Corporation has not adopted written policies and targets relating to the representation of designated groups given that the Corporation is a junior exploration company involved in the exploration of mining projects, that it has no employees, and its business relations are limited.

Given the size of the Board and the operations of the Corporation, the Corporation has not adopted term limits for members of the Board. Directors are elected for a period of one year until the next annual general meeting of shareholders.

The Board of Directors of the Corporation considers diversity in identifying and nominating candidates for election or re-election to the board as well as for making senior management appointments, by carefully evaluating necessary competencies, skills and other qualifications of each candidate as a whole and taking into account the track record in general business management and the ability to devote the time required.

The Corporation has no targets for representation on the board and among senior management for the designated groups. At the present time, one member of senior management may be considered a member of a designated group representing 50% of the senior management of the Corporation, and no member of the Board is a member of a designated group.

SHAREHOLDER PROPOSALS

The *Canada Business Corporations Act* provides, in effect, that a registered holder or beneficial owner of shares that is entitled to vote at an annual meeting of the Corporation may submit to the Corporation notice of any matter that the person proposes to raise at the meeting (referred to as a “**Proposal**”) and discuss at the meeting any matter in respect of which the person would have been entitled to submit a Proposal. The *Canada Business Corporations Act* further provides, in effect, that the Corporation must set out the Proposal in its management information circular along with, if so requested by the person who makes the Proposal, a statement in support of the Proposal by such person. However, the Corporation will not be required to set out the Proposal in its management information circular or include a supporting statement if, among other things, the Proposal is not submitted to the Corporation at least 90 days before the anniversary date of the notice of meeting that was sent to the shareholders in connection with the previous annual meeting of shareholders of the Corporation. As the notice in connection with the Meeting is dated June 21, 2024, the deadline for submitting a proposal to the Corporation in connection with the next annual meeting of shareholders is March 23, 2025.

The foregoing is a summary only; shareholders should carefully review the provisions of the *Canada Business Corporations Act* relating to Proposals and consult with a legal advisor.

OTHER MATTERS

Management knows of no other matter to come before the Meeting. However, if any other matters which are known to the management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the person’s name therein to vote on such matters in accordance with their best judgement.

- 1.7.2 With the consent of the affected Participants, the Board may amend or modify any outstanding Option in any manner to the extent that the Board would have had the authority to initially grant such award as so modified or amended, including without limitation, to change the date or dates as of which an Option becomes exercisable, subject to any required approvals.

The Plan, the grant and exercise of Options hereunder and the Corporation's obligation to sell and deliver Common Shares upon exercise of Options shall be subject to all applicable federal, provincial and foreign laws, rules and regulations, the rules and policies of the Exchange and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel to the Corporation, be required. The Corporation shall not be obligated by any provision of the Plan or the grant of any Option hereunder to issue or sell Common Shares in violation of such laws, rules and regulations or any condition of such approvals. No Option shall be granted and no Common Shares issued or sold hereunder where such grant, issue or sale would require regulatory approval of the Plan or of Common Shares under the securities laws of any foreign jurisdiction and any purported grant of any Option or issue or sale of Common Shares hereunder in violation of this provision shall be void. In addition, the Corporation shall have no obligation to issue any Common Shares pursuant to the Plan unless such Common Shares shall have been duly approved for listing on the Exchange, upon official notice of issuance. Common Shares issued and sold to Participants pursuant to the exercise of Options may be subject to limitations on sale or resale under applicable securities laws.

SECTION II - OPTIONS

2.1 Grants

Subject to the provisions of the Plan, the Board shall have the authority to determine the limitations, restrictions and conditions, if any, in addition to those set forth in paragraph 2.4 hereof, applicable to the exercise of an Option, including without limitation, the nature and duration of the restrictions, if any, to be imposed upon the sale or other disposition of Common Shares acquired upon exercise of the Option, and the nature of the events, if any, and the duration of the period in which any Participant's rights in respect of Common Shares acquired upon exercise of an Option may be forfeited. An Eligible Person may receive Options on more than one occasion under the Plan and may receive separate Options on any one occasion.

In the event Options are granted to employees, Consultants or Management Company Employees, the Corporation must declare and represent that the Eligible Person is a *bona fide* employee, Consultant or Management Company Employee, as the case may be.

2.2 Notice of Grant

Following the grant of an Option by the Board, the President or any other member designated by the Board shall notify in writing the Participant (the “**Notice of Grant**”), such Notice of Grant shall include a copy of the Plan and a stock option agreement, the form of which is attached hereto as Schedule A.

2.3 Copy of the Plan

Each Eligible Person shall be given, along with the Notice of Grant, two (2) copies of the Plan and shall, within a delay of ten (10) days following the receipt of the Notice of Grant, sign and return a copy of the Plan to the Board. The Board shall, as soon as possible, deliver two (2) copies of any modifications to the Plan to a Participant, which shall, within a delay of ten (10) days following the receipt of said notice, sign a copy of the modification and return it to the Board.

2.4 Option Price

The Board shall establish the Exercise Price at the time each Option is granted, which shall in all cases be not less than the Discounted Market Price, subject to a minimum exercise price of \$0.05. If the issuer does not issue a news release to fix the price, the Discounted Market Price will be the last closing price of the Common Shares on the Exchange before the date of the stock option grant (less the applicable discount). The option price shall be subject to adjustment in accordance with the provisions of paragraph 1.5 hereinabove.

2.5 Exercise of Options

2.5.1 Options granted must be exercised no later than five (5) years after the date of grant or such lesser period as determined by the Board or as the regulations made pursuant to the Plan may

require.

- 2.5.2 Options shall not be transferable or assignable by the Participants otherwise than by will or the laws of descent and distribution, and shall be exercisable during the lifetime of a Participant only by the Participant and after death only by the Participant's legal representatives.
- 2.5.3 Except as otherwise determined by the Board:
 - 2.5.3.1 if a Participant ceases to be an Eligible Person for any reason whatsoever other than death, each Option held by the Participant will cease to be exercisable on the Expiry Date or 12 months after the Termination Date whichever comes first, subject to any shorter period which may be imposed in any employment agreement, consulting agreement or any other type of agreement between the Corporation and the Eligible Person. If any portion of an Option is not vested by the Termination Date, that portion of the Option may not under any circumstances be exercised by the Participant. Without limitation, and for greater certainty only, this provision will apply regardless of whether the Participant was dismissed with or without cause and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a period of notice of termination which would otherwise have permitted a greater portion of the Option to vest with the Participant;
 - 2.5.3.2 if a Participant dies, each Option held by the Participant at the time of his death will cease to be exercisable on the Expiry Date or twelve (12) months after the Termination Date whichever comes first.
- 2.5.4 The Exercise Price of each Common Share purchased under an Option shall be paid in full in cash or by bank draft or certified cheque at the time of such exercise, and upon receipt of payment in full, but subject to the terms of the Plan, the number of Common Shares in respect of which the Option is exercised shall be duly issued as fully paid and non-assessable.
- 2.5.5 Subject to the provisions of the Plan, an option may be exercised from time to time by delivery to the Corporation at its registered office of the Notice of Exercise addressed to the Corporation specifying the number of Common Shares with respect to which the Option is being exercised and accompanied by payment in full of the Exercise Price of the Common Shares to be purchased. Certificates for such Common Shares shall be issued and delivered to the Optionee within a reasonable period of time following the receipt of such notice and payment.
- 2.5.6 An Option issued to a Consultant performing Investor Relations Activities must vest in stages over twelve (12) months from the date of grant with no more than 25% of the Option vesting in any three (3) month period.
- 2.5.7 Notwithstanding any of the provisions contained in the Plan or in any Option, the Corporation's obligation to issue Common Shares to a Participant pursuant to the exercise of an Option shall be subject to:

2.5.7.1 completion of such registration or other qualification of such Common Shares or obtaining approval of such governmental or regulatory authority as counsel to the Corporation shall reasonably determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;

2.5.7.2 the admission of such Common Shares to listing on the Exchange; and

2.5.7.3 the receipt from the Participant of such representations, agreements and undertakings, including as to future dealings in such Common Shares, as counsel to the Corporation reasonably determines to be necessary or advisable in order to safeguard against the violation of the laws of any jurisdiction.

In this connection, the Corporation shall, to the extent necessary, take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for issuance of such Common Shares in compliance with applicable laws and for the admission to listing of such Common Shares on the Exchange.

2.6 Hold Period

The Options and the Shares which shall be issued following the exercise of such Options, shall be subject to a four (4) month hold period commencing on the date of grant and shall bear the following legend:

“Without prior written approval of the TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate and the securities issued hereunder may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Ventures Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until [insert date that is 4 months and 1 day following the date of grant].”

SECTION III – PROVISIONS OF AWARDS OTHER THAN OPTIONS

3.1 Restricted Awards

3.1.1 Restricted Share Units

The Board may, from time to time, grant RSUs to Participants. The grant of an RSU to a Participant at any time shall neither entitle such Participant to receive, nor preclude such Participant from receiving, a subsequent grant of an RSU. Each RSU granted by the Board shall be evidenced by an RSU Agreement. Unless otherwise provided in the applicable Award Agreement, RSUs granted to a Participant shall be awarded solely in respect of performance of such Participant in the calendar year in which the Grant Date occurs (the "**Service Year**"). In all cases, the RSUs shall be in addition to, and not in substitution for or in lieu of, ordinary salary and wages payable to a Participant in respect of their services to the Corporation. No Common Shares shall be issued at the time an RSU is granted, and the Corporation will not be required to set aside funds for the payment of any such Award. A Participant shall have no voting rights with respect to any RSU

granted hereunder. Each RSU so granted shall be subject to the conditions set forth in this Section 3.1, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement.

3.1.2 Deferred Share Units

The Board may also grant RSUs with a deferral feature, whereby settlement is deferred beyond the vesting date until the occurrence of a future payment date or event set forth in an Award Agreement ("DSUs").

3.1.3 Dividend Equivalents

At the discretion of the Board, each RSU and DSU (representing one Common Share) may be credited with cash and stock dividends paid by the Corporation in respect of one Common Share ("Dividend Equivalents"). Dividend Equivalents shall be withheld by the Corporation and credited to the Participant's account, and interest may be credited on the amount of cash Dividend Equivalents credited to the Participant's account at a rate and subject to such terms as determined by the Board. Dividend Equivalents credited to a Participant's Share Unit Account and attributable to any particular RSU or DSU (and earnings thereon, if applicable) shall be distributed in cash or, at the discretion of the Board, in Common Shares having a Fair Market Value equal to the amount of such Dividend Equivalents and earnings, if applicable, to the Participant upon settlement of such RSU or DSU and, if such RSU or DSU is forfeited, the Participant shall have no right to such Dividend Equivalents.

3.1.4 Restrictions

3.1.4.1 RSUs and DSUs awarded to any Participant shall be subject to (A) forfeiture until the expiration of the Restricted Period, to the extent provided in the applicable Award Agreement, and to the extent such RSUs or DSUs are forfeited, all rights of the Participant to such RSUs or DSUs shall terminate without further obligation on the part of the Corporation and (B) such other terms and conditions as may be set forth in the applicable Award Agreement.

3.1.4.2 The Board shall have the authority to remove any or all of the restrictions on the RSUs and DSUs whenever it may determine that, by reason of changes in Applicable Laws or other changes in circumstances arising after the date the RSUs or DSUs are granted, such action is appropriate.

3.1.5 Restricted Period

Subject to the terms of any employment agreement or executive agreement between the Participant and the Corporation, or the Board expressly providing to the contrary, a Participant's RSUs shall vest on the Vesting Date(s). Subject to the provisions of this Plan, no RSU may vest before the date that is one (1) year following the date such RSU is granted or issued, and all vesting conditions shall be such that the RSUs comply with the exception to the definition of "salary deferral arrangement" contained in paragraph (k) of section 248(1) of the ITA or any successor provision

thereto. With respect to Restricted Awards, the Restricted Period shall commence on the Grant Date and end at the time or times set forth on a schedule established by the Board in the applicable Award Agreement.

3.1.6 Settlement of Restricted Share Units and Deferred Share Units

On or within 60 days following the Vesting Date of a Share Unit (and in any event no later than December 31 of the third year following the year in respect of which the Share Unit is granted) (the "**Settlement Date**"), and subject to Section 4.3, the Corporation shall (i) issue to Participant or Beneficiary, as applicable, from treasury the number of Common Shares that is equal to the number of vested Share Units held by the Participant as at the Settlement Date (rounded down to the nearest whole number), as fully paid and non-assessable Common Shares, (ii) deliver, or cause to be delivered, to the Participant or Beneficiary, as applicable, Common Shares purchased in the open market equal to the number of vested Share Units held by the Participant as of the Settlement Date (rounded down to the nearest whole number), (iii) deliver to the Participant or Beneficiary, as applicable, an amount in cash (net of Applicable Withholding Taxes) equal to the number of vested Share Units held by the Participant as at the Settlement Date multiplied by the Fair Market Value as at the Settlement Date, or (iv) a combination of (i), (ii) and (iii). Upon the expiration of the Restricted Period with respect to any outstanding RSUs, or at the expiration of the deferral period with respect to any outstanding DSUs, the Corporation shall deliver to the Participant, or their beneficiary, without charge, one Common Share for each such outstanding vested RSU or DSU ("**Vested Unit**") provided, however, that if explicitly provided in the applicable Award Agreement, the Board may, in its sole discretion, elect to pay cash or part cash and part Common Shares in lieu of delivering only Common Shares for Vested Units. If a cash payment is made in lieu of delivering Common Shares, the amount of such payment shall be equal to the Fair Market Value of the Common Shares as of the date on which the Restricted Period lapsed in the case of RSUs, or the delivery date in the case of DSUs, with respect to each Vested Unit.

3.1.7 Share Unit Accounts.

An account, called a "Share Unit Account", shall be maintained by the Corporation for each Participant and will be credited with such grants of RSUs, DSUs, or Dividend Equivalents as are received by the Participant from time to time. Share Units that fail to vest or that are settled in accordance with Section 4.3 shall be cancelled and shall cease to be recorded in the Participant's Share Unit Account as of the date on which such Share Units are forfeited or cancelled under the Plan or are settled, as the case may be. Where a Participant has been granted one or more RSUs or DSUs, such RSUs or DSUs (and related Dividend Equivalents) shall be recorded separately in the Participant's Share Unit Account.

SECTION IIIV - MISCELLANEOUS PROVISIONS

4.1 The holder of an Option shall not have any rights as a shareholder of the Corporation with respect to any of the Common Shares covered by such Option until such holder shall have exercised such Option in accordance with the terms of the Plan (including tendering payment in full of the Exercise Price of the Common Shares in respect of which the Option is being exercised).

4.2 Nothing in the Plan or any Option shall confer upon a Participant any right to continue in the employment of the Corporation or any subsidiary or affect in any way the right of the Corporation or any subsidiary to terminate his employment at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any subsidiary to extend the employment of any Participant beyond the time which he would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any subsidiary, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any subsidiary.

4.3 Withholding Obligations. It is the responsibility of the Participant to complete and file any tax returns that may be required under Canadian or other applicable jurisdiction's tax laws within the periods specified in those laws as a result of the Participant's participation in the Plan. Notwithstanding any other provision of this Plan, a Participant shall be solely responsible for all Applicable Withholding Taxes resulting from their receipt of Common Shares or other property pursuant to this Plan. In connection with the issuance of Common Shares pursuant to this Plan, a Participant shall, at the Participant's discretion:

- (a) pay to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial, local or other law relating to the Applicable Withholding Taxes in connection with such issuance;
- (b) authorize a securities dealer designated by the Corporation, on behalf of the Participant, to sell in the capital markets a portion of the Common Shares issued hereunder to realize cash proceeds to be used to satisfy the Applicable Withholding Taxes; or
- (c) make other arrangements acceptable to the Corporation to fund the Applicable Withholding Taxes.
