STRIA LITHIUM INC.

(the “Corporation”)

INFORMATION CIRCULAR

(Containing information as at May 5, 2026 unless indicated otherwise)

SOLICITATION OF PROXIES BY MANAGEMENT

This Management information Circular (the “Circular”) is furnished in connection with the solicitation by the management of the Corporation of proxies to be used at the annual and special meeting of shareholders (the “Meeting”) of the Corporation to be held solely by means of remote communication, rather than in person at the time and for the purposes set forth in the attached Notice of Meeting and at any adjournment thereof. It is expected that the solicitation will be made primarily by mail. However, officers and employees of the Corporation may also solicit proxies by telephone, telecopier, e-mail or in person. The total cost of solicitation of proxies will be borne by the Corporation.

HOW TO ATTEND, PARTICIPATE AND VOTE AT THE VIRTUAL MEETING

The Corporation is conducting a virtual meeting of the Shareholders of the Corporation. Shareholders will not be able to attend the Meeting in person. Instead, Registered Shareholders (as defined below under the heading "Appointment of Proxy") and duly appointed proxyholders can virtually attend, participate, vote or submit questions at the virtual Meeting online by registering at the following link: <https://qrco.de/bgmxin>

After registering, you will receive a confirmation email with access instructions.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

A shareholder that holds his shares directly in his name (a “**Registered Shareholder**”) who is unable to attend the Meeting in person is requested to complete and sign the enclosed form of proxy and to deliver it to Computershare Investor Services Inc. (i) by mail or hand delivery to Proxy Department, 320 Bay Street, 14th floor, Toronto, Ontario M5H 4A6, or (ii) by facsimile to 416-263-9524 or 1-866-249-7775. A Registered Shareholder may also vote using the internet at www.investorvote.com or telephone at 1-866-732-8683. In order to be valid and acted upon at the Meeting, the form of proxy must be received no later than 5:00 p.m. (eastern time) on June 5, 2026 or be deposited with the Secretary of the Corporation before the commencement of the Meeting or any adjournment thereof.

The document appointing a proxy must be in writing and executed by the Registered Shareholder or his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

A Registered Shareholder submitting a form of proxy has the right to appoint a person (who need not be a shareholder) to represent him or her at the Meeting other than the persons designated in the form of proxy furnished by the Corporation. To exercise that right, the name of the Registered Shareholder’s appointee should be legibly printed in the blank space provided. In addition, the

Registered Shareholder should notify the appointee of his or her appointment, obtain his or her consent to act as appointee and instruct the appointee on how the Registered Shareholder's shares are to be voted.

Shareholders who are not Registered Shareholders should refer to "Notice to Beneficial Shareholders" below.

Revocation of Proxy

A Registered Shareholder who has submitted a form of proxy as directed hereunder may revoke it at any time prior to the exercise thereof. If a Registered Shareholder who has given a proxy personally attends the Meeting at which that proxy is to be voted, that Registered Shareholder may revoke the proxy and vote in person. In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Registered Shareholder or his attorney or authorized agent and deposited with (i) Computershare Investor Services Inc. at any time up to 5:00 p.m. (eastern time) on June 5, 2026 by mail or by hand delivery to Proxy Department, 320 Bay Street, 14th floor, Toronto, Ontario M5H 4A6, or by facsimile to 416-263-9524 or 1-866-249-7775, (ii) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or (iii) with the chairman of the Meeting on the day of the Meeting before the commencement thereof, or any adjournment thereof, and upon any such deposit, the proxy will be revoked.

Notice to Beneficial Shareholders

The information set out in this section is of importance to many shareholders, as a substantial number of shareholders are Beneficial Shareholders and do not hold shares of the Corporation in their own names. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders (shareholders whose names appear on the records of the Corporation as the registered holders of shares) can be recognized and acted upon at the Meeting or any adjournment(s) thereof. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Corporation. Those shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their nominees can be voted (for or against resolutions or withheld from voting) only upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. Subject to the following discussion in relation to NOBOs (as defined below), the Corporation does not know for whose benefit the shares of the Corporation registered in the name of CDS & Co., a broker or another nominee, are held.

There are two categories of Beneficial Shareholders for the purposes of applicable securities regulatory policy in relation to the mechanism of dissemination to Beneficial Shareholders of proxy-related materials and other securityholder materials and the request for voting instructions from such Beneficial Shareholders. Non-objecting beneficial owners ("NOBOs") are Beneficial Shareholders who have advised their intermediary (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Corporation, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. Securities legislation restricts the use of that information to matters strictly relating to the affairs of the Corporation. Objecting beneficial owners ("OBOs") are Beneficial Shareholders who have advised their intermediary that they object to their intermediary disclosing such ownership information to the Corporation.

NI 54-101 permits the Corporation, in its discretion, to obtain a list of its NOBOs from intermediaries and use such NOBO list for the purpose of distributing the Notice Package directly to, and seeking voting instructions directly from, such NOBOs. As a result, the Corporation is entitled to deliver the Notice Package to Beneficial Shareholders in two manners: (a) directly to NOBOs and indirectly through intermediaries to OBOs; or (b) indirectly to all Beneficial Shareholders through intermediaries. In accordance with the requirements of NI 54-101, the Corporation is sending the Notice Package directly to NOBOs and indirectly through intermediaries to OBOs. The cost of the delivery of the Notice Package by intermediaries to Beneficial Shareholders will be borne by the Corporation.

The Corporation has used a NOBO list to send the Notice Package directly to NOBOs whose names appear on that list. If the Corporation's transfer agent, Computershare Investor Services Inc., has sent these materials directly to a NOBO at the request of the Corporation, such NOBO's name and address and information about its holdings of shares of the Corporation have been obtained from the intermediary holding such shares on the NOBO's behalf in accordance with applicable securities regulatory requirements. As a result, any NOBO of the Corporation can expect to receive a VIF from Computershare Investor Services Inc. NOBOs should complete and return the VIF to Computershare Investor Services Inc. in the envelope provided. In addition, telephone voting and internet voting are available; instructions in respect of the procedure for telephone and internet voting can be found in the VIF. Computershare Investor Services Inc. will tabulate the results of VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by such VIFs.

Applicable securities regulatory policy requires intermediaries, on receipt of Notice Packages that seek voting instructions from Beneficial Shareholders indirectly, to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings on Form 54-101F7 (Request for Voting Instructions Made by Intermediary). Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting or any adjournment(s) thereof. Often, the form of request for voting instructions supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to Registered Shareholders; however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. Beneficial Shareholders who wish to appear in person and vote at the Meeting should be appointed as their own representatives at the Meeting in accordance with the directions of their intermediaries and Form 54-101F7. Beneficial Shareholders can also write the name of someone else whom they wish to appoint to attend at the Meeting and vote on their behalf. Unless prohibited by law, the person whose name is written in the space provided in Form 54-101F7 will have full authority to present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in Form 54-101F7 or this Circular.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). In forwarding the Notice Package to Beneficial Shareholders, Broadridge typically includes a VIF in lieu of the form of proxy that some intermediaries employ. Beneficial Shareholders are requested to complete and return the VIF to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free telephone number to vote the shares held by them or access Broadridge's dedicated voting website at <https://central-online.proxyvote.com> to deliver their voting instructions. Broadridge will then provide aggregate voting instructions to the Corporation's transfer agent and registrar, which will tabulate the results and provide appropriate instructions respecting the voting of shares to be represented at the Meeting or any adjournment(s) thereof.

All references to shareholders in this Circular, the enclosed form of proxy, and the Notice of Meeting are to the Registered Shareholders unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

Shares represented by properly-executed proxies or VIFs in favour of the persons designated in the enclosed form of proxy or voting information forms, in the absence of any direction to the contrary, will be voted for the: (i) election of directors; (ii) appointment of the auditor; (iii) name change; and (iv) resolution approving and confirming the omnibus equity incentive plan, and all other security-based compensation arrangements of the Corporation. The shares represented by the proxy or VIF will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for, and if a shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. With respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting, such shares will be voted by the persons so designated in their discretion. At the time of printing this Circular, management of the Corporation knows of no such amendments, variations or other matters.

ACQUISITION

The Corporation has entered into an investment agreement on April 8, 2026 with Alicanto Minerals Ltd. (“**Alicanto**”) for the acquisition of a net smelter return royalty of up to 2% on the advanced West Australian Mt Henry Gold Project (the “**Acquisition**”) and the appointment of experienced royalty company executives Adam Davidson and Tyron Rees as Chief Executive Officer and Vice President of Corporate Development respectively to transform its business into a mining royalty business. Upon closing of the Acquisition, the Corporation will change its corporate name to “Arc Mineral Royalties Ltd.” (the “**Resulting Issuer**”) All references herein to the “Resulting Issuer” refer to the Corporation after completion of the Acquisition.

SHAREHOLDERS ARE NOT REQUIRED TO APPROVE THE ACQUISITION. However, the Acquisition is very important to the Corporation and certain matters to be considered at the Meeting are necessary in order to prepare the Corporation to complete the Acquisition. Full details regarding the Acquisition will be disclosed by the Corporation in a filing statement (the “**Filing Statement**”) to be prepared and filed in accordance with the TSXV Form 3D2 - *Information Required in a Filing Statement for a Reverse Take-Over or a Change of Business*. The Filing Statement will be posted on SEDAR+ at www.sedarplus.ca prior to the completion of the Acquisition. Management of the Corporation will endeavour to post the Filing Statement on SEDAR+ as quickly as possible, but the posting thereof and the detailed press release to be issued by the Corporation in conjunction therewith may not occur until on or about the date of the Meeting or thereafter. Shareholders are urged to review the press release issued by the Corporation on April 8, 2026 announcing the proposed Acquisition and the Filing Statement of the Corporation when filed on SEDAR+ as they contain important disclosure regarding the Resulting Issuer and the Acquisition.

Subject to receipt of all approvals, including from the TSXV, the Acquisition is anticipated to close in June 2026. Certain of the resolutions sought to be passed by the Shareholders at the Meeting will be conditions to the completion of the Acquisition. Failure to pass these resolutions could impede or prevent the completion of the Acquisition.

VOTING SHARES

As at the date of this Circular, there were 41,586,695 issued and outstanding Common Shares of the Corporation (the “Common Shares”).

Each Common Share entitles the holder thereof to receive notice of and attend all meetings of Shareholders and to vote at such meetings, except meetings at which only holders of a specified class or series of shares are entitled to vote.

Each holder of record of a Common Share on April 24, 2026, the record date established for notice of the Meeting, will, unless otherwise specified in this Circular, be entitled to one vote for each Common Share held by such holder on all matters coming before the Meeting, except to the extent that such holder has transferred any such Common Shares after the record date and the transferee of such Common Shares establishes ownership of such Common Shares and makes a written demand, not later than ten (10) days before the Meeting, to be included in the list of Shareholders entitled to vote at the Meeting, in which case the transferee will be entitled to vote such Common Shares at the Meeting.

Rosehearty is presently preparing the required documentation to complete and file its 2014 Rosehearty Filings and its annual audited financial statements, its management discussion and analysis and related certifications for subsequent years. COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Interpretation

“Named executive officer” (“NEO”) means:

- (a) a Chief Executive Officer (“CEO”);
- (b) a Chief Financial Officer (“CFO”);
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are Dean Hanisch, CEO, Jeffrey York, Chairman of the Board, and Judith Mazvihwa-MacLean, CFO.

Compensation Program Objectives

The objectives of the Corporation’s executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Corporation’s continued success;
- to align the interests of the Corporation’s executives with the interests of the Corporation’s shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Corporation is a mining company involved in exploration and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Corporation to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Corporation's executive compensation program has been designed to reward executives for reinforcing the Corporation's business objectives and values.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary, performance bonus and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a bonus meant to motivate the NEO and is determined on a case by case basis. Awards under this plan are made by way of cash payments only, which payment are made at the end of the fiscal year.

Stock options are generally awarded to NEOs on an annual basis. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Corporation's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program

Intervention of the Board of Directors

Compensation of the NEOs of the Corporation is reviewed annually by the Board.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Board relies on the general experience of its members in setting base salary amounts.

Performance Bonuses

The bonus for each individual NEO is determined on a case by case basis. The factors considered in assessing the bonus amounts include, but are not limited to, the position of the NEO and expense control.

Stock Options

The Corporation has established a formal plan (the "**Equity Incentive Plan**") under which stock options and restricted share units are granted to directors, officers, employees, and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board determines which NEOs (and other persons) are entitled to participate in the Equity Incentive Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price and expiry date. For further information regarding the Equity Incentive Plan refer to section "*Securities Authorized for Issuance Under Equity Compensation Plans*".

The Board makes these determinations subject to the provisions of the existing Equity Incentive Plan and, where applicable, the policies of the TSX-V.

As disclosed hereinbelow, the Board of Directors adopted a new Omnibus Plan (as defined herein) and proposes to replace the Equity Incentive Plan on a going forward basis. If approved, the compensation paid to NEOs shall also include long-term incentives, comprised of stock options (“**Options**”), restricted share units (“**RSUs**”), performance share units (“**PSUs**”), deferred share units (“**DSUs**”) (collectively, the “**Awards**”) granted pursuant to the Corporation’s Omnibus Plan.

Assessment of Risks Associated with the Corporation’s Compensation Policies and Practices

The Board has not proceeded to an evaluation of the implications of the risks associated with the Corporation’s compensation policies and practices. The Corporation has not adopted a policy forbidding directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Corporation’s securities granted as compensation or held, directly or indirectly, by directors or officers. The Corporation is not, however, aware of any directors or officers having entered into this type of transaction.

External Compensation Consultants

During the fiscal years ended September 30, 2024 and 2025, the Corporation did not retain the services of executive compensation consultants to assist the Board in determining compensation for any of the Corporation’s NEOs or directors.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the performance bonuses and granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

- The total number of Options granted to Insiders (as a group), within a 12-month period, shall not exceed 10% of the number of issued and outstanding Common Shares of the Corporation at the time of the grant (on a undiluted basis).

- If there is change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the TSX-V, appropriate substitution or adjustment in: (i) the number or kind of shares or other securities reserved for issuance pursuant to the Plan; and (ii) the number and kind of shares subject to unexercised options theretofore granted and in the option price of such shares; provided however that no substitution or adjustment shall obligate the Corporation to issue or sell fractional shares.
- If an optionee ceases to be an eligible person for any other reason whatsoever other than death, each option held by the optionee will cease to be exercisable on the expiry date or 12 months from the termination date, whichever comes first. If an optionee who is engaged in investor relations activities ceases to be employed for such activities, each option held by the optionee will cease to be exercisable on the expiry date or 30 days after the termination date, whichever comes first. If an optionee dies, each option held by the optionee at the time of his death will cease to be exercisable by the optionee's heirs or administrators on the expiry date or 12 months after the termination date, whichever comes first; and

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

RATIFICATION OF THE OMNIBUS PLAN

The Board adopted a new omnibus equity incentive plan (the “**Omnibus Plan**”) as of May 5, 2026. The Board determined that it is desirable to have a wide range of incentive Awards to attract, retain and motivate employees, directors, executive officers and consultants of the Corporation. The full text of the Omnibus Plan is annexed hereto as Schedule “B”. Any capitalized undefined terms in this section shall have meaning ascribed to it in the Omnibus Plan.

The purpose of the Omnibus Plan is to: (i) provide the Corporation with a mechanism to attract, retain and motivate highly qualified directors, officers, employees and consultants of the Corporation and its affiliates; (ii) align the interests of Participants with that of other shareholders of the Corporation generally; and (iii) enable and encourage Participants to participate in the long-term growth of the Corporation through the acquisition of common shares of the Corporation as long-term investments.

Under the Omnibus Plan, the aggregate number of common shares reserved for issuance pursuant to Awards of Options granted under the Omnibus Plan (including the Options currently outstanding under the Equity Incentive Plan) shall not exceed 10% or 4,158,669 of the Corporation’s total issued and outstanding common shares from time to time.

The Omnibus Plan with respect to the Options is a “rolling plan” and as a result, any and all increases in the number of issued and outstanding common shares of the Corporation will result in an increase to the number of Options for issuance under the Omnibus Plan. To the extent any Awards of Options (or portion(s) thereof) under the Omnibus Plan have been exercised, expire, terminate or are cancelled for any reason prior to their exercise, then any common shares subject to such Awards (or portion(s) thereof) shall be added back to the number of common shares reserved for issuance under the Omnibus Plan and will again become available for issuance pursuant to the exercise of Awards of Options granted under the Omnibus Plan.

In respect of DSUs, RSUs or PSUs, the aggregate number of common shares reserved for issuance pursuant to Awards other than for Options granted under the Omnibus Plan shall not exceed 4,158,669 common shares, being 10% of issued and outstanding on the date of the circular common shares. To the extent any Awards other than for Options (or portion(s) thereof) under the Omnibus Plan terminate or are cancelled

for any reason prior to exercise, then any common shares subject to such Awards (or portion(s) thereof) shall be added back to the number of common shares reserved for issuance under the Omnibus Plan and will again become available for issuance pursuant to the exercise of Awards (other than for Options) granted under the Omnibus Plan. Common shares will not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award (other than for Options) that is settled in cash.

For so long as the Corporation is listed on the TSX Venture Exchange:

- the maximum number of common shares for which Awards may be issued to any one or all insiders as a group Insider (as defined by the TSX Venture Exchange) shall not exceed 10% of the outstanding common shares at any point in time, unless the Corporation obtains disinterested shareholder approval as required by the policies of the TSX Venture Exchange;
- the maximum number of common shares for which Awards may be issued to Insiders as a group in any 12-month period shall not exceed 10% of the outstanding common shares, calculated on the date an Award is granted to the Participant, unless the Corporation obtains disinterested shareholder approval as required by the policies of the TSX Venture Exchange;
- the maximum number of common shares for which Awards may be issued to any one Participant in any 12-month period shall not exceed 5% of the outstanding common shares, calculated on the date an Award is granted to the Participant, unless the Corporation obtains shareholder approval as required by the policies of the TSX Venture Exchange;
- the aggregate number of common shares for which Awards may be issued to any one Consultant (as defined by the TSX Venture Exchange) within any 12-month period shall not exceed 2% of the outstanding common shares, calculated on the date an Award is granted to the Consultant;
- subject to Policy 4.4 of the TSX Venture Exchange, the vesting of any RSU, PSU or DSU shall not be before the date that is one year following the date of the grant, except if otherwise authorized under the Omnibus Plan.
- the aggregate number of common shares for which Awards may be issued to Investor Relations Service Providers (as the term is defined in the Omnibus Plan) as a group within any 12-month period shall not exceed 2% of the outstanding common shares, calculated on the date an Award is granted to the Consultant, and such Awards shall only include Options; and
- Options granted to Investor Relations Service Providers shall be subject to the vesting requirements set out in Policy 4.4, and Awards granted to all other Participants shall be subject to the vesting requirements of the Policy 4.4.

The Omnibus Plan provides for customary adjustments or substitutions, as applicable, in the number of common shares that may be issued under the Omnibus Plan in the event of a merger, arrangement, amalgamation, consolidation, reorganization, recapitalization, separation, stock dividend, extraordinary dividend, stock split, reverse stock split, split up, spin-off or other distribution of stock or property of the Corporation, combination of securities, exchange of securities, dividend in kind, or other like change in capital structure or distribution (other than normal cash dividends) to the Corporation's shareholders, or

any similar corporate event or transaction. The Omnibus Plan also provides, with respect to DSUs, PSUs and RSUs, for the payment of dividend equivalents in the amount that a Participant would have received if DSUs, PSUs and RSUs had settled for common shares on the record date of dividends declared by the Corporation provided that if the number of securities issued as dividend equivalents, together with all of the Corporation's other share-based compensation, would exceed 10% of the Corporation's issued shares (or any of the other limits set forth in the Policy 4.4, including limits on grants with respect to individuals, Insiders, Consultants and Investor Relations Service Providers) then such dividend equivalents will be paid in cash.

Plan Administration

The Omnibus Plan is being administered by the Board of Directors, which may delegate its authority to any duly authorized committee of the Board of Directors (the "**Plan Administrator**"). The Plan Administrator has sole and complete authority, in its discretion, to:

- determine the individuals (the "**Participants**") to whom grants of Awards under the Omnibus Plan may be made;
- make grants of Awards under the Omnibus Plan, whether relating to the issuance of common shares or otherwise (including any combination of Options, RSUs, PSUs, DSUs or Other Share-Based Awards), in such amounts, to such Participants and, subject to the provisions of the Omnibus Plan, on such terms and conditions as it determines, including, without limitation:
 - the time or times at which Awards may be granted;
 - the conditions under which: (A) Awards may be granted to Participants; or (B) Awards may be forfeited to the Corporation, including any conditions relating to the attainment of specified performance goals;
 - the number of Shares to be covered by any Award;
 - the price, if any, to be paid by a Participant in connection with the purchase of Shares covered by any Awards;
 - whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any Award, and the nature of such restrictions or limitations, if any; and
 - any acceleration of exercisability or vesting, or waiver of termination regarding any Award, based on such factors as the Plan Administrator may determine;
- establish the form or forms of Award Agreements (as defined in the Omnibus Plan);
- cancel, amend, adjust or otherwise change any Award under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of the Omnibus Plan;
- construe and interpret the Omnibus Plan and all Award Agreements;
- adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to the Omnibus Plan, including rules and regulations relating to sub-

plans established for the purpose of satisfying applicable foreign laws or for qualifying for favourable tax treatment under applicable foreign laws;

- if an Award is to be granted to Employees, Consultants, or Management Company Employees, the Plan Administrator and the Participant to whom that Award is to be granted are responsible for ensuring and confirming that the Participant is a bona fide Employee, Consultant, or Management Company Employee; and
- make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Omnibus Plan.

Change in Control

If there is a Change in Control (as defined in the Omnibus Plan), the Plan Administrator may take such steps as it deems necessary or desirable, including to cause (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iii) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Corporation without payment); (iv) the replacement of such Award with other rights or property selected by the Board of Directors in its sole discretion; or (v) any combination of the foregoing. Any such actions taken in connection with a Change in Control must comply with the policies of the TSX Venture Exchange including, without limitation, the requirement that the acceleration of vesting of Options granted to Investor Relations Service Providers shall only occur with the prior written approval of TSX Venture Exchange.

Incentive Awards

Options

Subject to the terms and conditions of the Omnibus Plan and any policies of the TSX Venture Exchange, the Board of Directors may grant Options to Participants in such amounts and upon such terms (including the exercise price, duration of the Options, the number of common shares to which the Option pertains, and the conditions, if any, upon which an Option shall become vested and exercisable) as the Board of Directors shall determine.

The exercise price of the Options will be determined by the Board of Directors at the time any Option is granted. In no event will such exercise price be lower than the "discounted market price" of the shares on the TSX Venture Exchange, as defined in the policies of the later. Except where a Participant elects for a Net Exercise (as defined below), such price upon exercise of any Option shall be payable to the Corporation in full in cash, certified cheque or wire transfer.

Subject to prior approval by the Board of Directors, where the Corporation has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to a Participant to purchase Option Shares (as defined in the Omnibus Plan) underlying Options, a Participant may borrow money from such brokerage firm to exercise Options (a “**Cashless Exercise**”). The brokerage firm will then sell a sufficient number of Option Shares to cover the exercise price of such Option in order to repay the loan made to the Participant. The brokerage firm will receive an equivalent number of Option Shares from the exercise of such Options and the Participant will receive the balance of the common shares or the cash proceeds from the balance of such common shares.

Subject to prior approval by the Board of Directors, a Participant may also elect to surrender for cancellation to the Corporation any vested Options (excluding Options held by any Investor Relations Service Provider) in accordance with the net exercise policies of the TSX Venture Exchange (a “**Net Exercise**”). In connection with a Net Exercise, the Corporation will issue to the Participant, as consideration of the Options, that number of Option Shares (as defined in the Omnibus Plan) determined on a net issuance basis in accordance with the following formula below:

$$X = \frac{Y (A - B)}{A}$$

where:

- X = The number of Option Shares issuable to the Participant as consideration for respect of the exchange or surrender of an Option under Section 4.6 of the Omnibus Plan;
- Y = The number of Option Shares issuable with respect to the vested portion of the Option to be exercised by the Participant (the “**Subject Options**”);
- A = The VWAP of the Shares; and
- B = The Exercise Price of the Subject Options.

In the event of a Cashless Exercise or Net Exercise, the number of Options exercised, surrendered or converted, and not the number of listed shares actually issued by the Corporation, must be included in calculating the limits set forth in section 3.6 and 3.7 of the Plan.

Unless otherwise specified in an Award Agreement (as defined in the Omnibus Plan), and subject to any provisions of the Plan or the applicable Award Agreement relating to acceleration of vesting of Options, Options shall vest subject to TSX Venture Exchange policies (including TSX Venture Exchange Policies with respect to the vesting of Options granted to person performing Investor Relations Activities (as defined in the Omnibus Plan)), and the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

Subject to any requirements of the TSX Venture Exchange, the Board of Directors may determine the expiry date of each Option. Subject to a limited extension if an Option expires during a black-out period, Options may be exercised for a period of up to ten (10) years after the grant date, provided that: (i) upon a Participant’s termination for cause, all Options, whether vested or not, as at the date on which a Participant ceases to be eligible to participate under the Omnibus Plan (the “**Termination Date**”) as a result of termination of employment, will automatically and immediately expire and be forfeited; (ii) upon the death of a Participant, all unvested Options as at the Termination Date shall automatically and immediately vest, and all vested Options will continue to be subject to the Omnibus Plan and be exercisable until the earlier of the original expiry date of the award and 12 months after the Termination Date; (iii) in the case of the disability of a Participant, all Options shall remain and continue to vest (and are exercisable) in accordance with the terms of the Omnibus Plan for a period of 12 months after the Termination Date, provided that any Options that have not been exercised (whether vested or not) within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date; (iv) in the case of the retirement

of a Participant, all Options shall remain and continue to vest (and are exercisable) in accordance with the terms of the Omnibus Plan for a period of 12 months after the Termination Date, provided that any Options that have not been exercised (whether vested or not) within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date; and; (v) in all other cases where a Participant ceases to be eligible under the Omnibus Plan, including a termination without cause or a voluntary resignation, unless otherwise determined by the Board of Directors, all unvested Options shall automatically and immediately expire and be forfeited as of the Termination Date, and all vested Options will continue to be subject to the Omnibus Plan and be exercisable for a period of 90 days after the Termination Date, provided that any Options that have not been exercised within 90 days after the Termination Date shall automatically and immediately expire and be forfeited on such date.

Share Units

The Board of Directors is authorized to grant RSUs, PSUs and DSUs evidencing the right to receive common shares (issued from treasury), cash based on the value of a Common Share or a combination thereof at some future time to eligible persons under the Omnibus Plan.

RSUs generally become vested, if at all, following a period of continuous employment. PSUs are similar to RSUs, but their vesting is, in whole or in part, conditioned on the attainment of specified performance metrics as may be determined by the Board of Directors. The terms and conditions of grants of RSUs and PSUs, including the quantity, type of award, grant date, vesting conditions, vesting periods, settlement date and other terms and conditions with respect to these Awards will be set out in the Participant's Award Agreement.

Subject to the achievement of the applicable vesting conditions, the payout of an RSU or PSU will generally occur on the settlement date. The payout of a DSU will generally occur upon or following the Participant ceasing to be a director, executive officer, employee or consultant of the Corporation, subject to satisfaction of any applicable conditions.

Approval of Continuation of Omnibus Plan

Policy 4.4 of the TSX Venture Exchange requires that "rolling stock option plan" such as the Omnibus Plan must receive shareholder approval yearly, at an issuer's annual meeting. In accordance with Policy 4.4 of the TSX Venture Exchange, shareholders will be asked to consider and, if thought fit, approve an ordinary resolution authorizing, ratifying, approving and confirming the current Omnibus Plan (the "**Omnibus Plan Resolution**") is set out in Schedule C of this Circular. A copy of the current Omnibus Option Plan is available for review on SEDAR+. In order for the Omnibus Plan Resolution to be effective, it must be approved by the affirmative vote of a majority of the votes cast in respect thereof by shareholders of the Corporation present in person or by proxy at the Meeting.

The Board of Directors has determined that the adoption of the Omnibus Plan is in the best interests of the Corporation and its shareholders. The adoption of the Omnibus Plan continuation is subject to the TSX Venture Exchange acceptance.

Unless instructed otherwise, the management designees of the Corporation in the accompanying form of proxy or voting instruction form intend to vote FOR the Omnibus Plan Resolution.

NAME CHANGE

Upon completion of the Acquisition, the Corporation intends to change its name to "Arc Mineral Royalties Ltd.", or such other name as the Board, in its sole discretion, deems appropriate (the "**Name Change**").

Management believes that the Name Change is in the best interests of the Corporation in order to reflect the change in its business activities. The Board will only take the steps necessary to change the Corporation's name to "Arc Mineral Royalties Ltd." if the Acquisition is successfully completed.

The Shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, a special resolution authorizing the amendment of the articles of the Corporation to effect the Name Change. To pass, the special resolution requires the affirmative vote of not less than two-thirds (2/3) of the votes cast by the holders of Common Shares present at the Meeting in person or by proxy.

The complete text of the special resolution (the "**Name Change Resolution**") to be placed before the Meeting authorizing the Name Change of the Corporation is as follows:

"BE IT HEREBY RESOLVED as a special resolution of the Corporation that:

- (a) the articles of the Corporation are amended to change the name of the Corporation to "Arc Mineral Royalties Ltd." or such other name as the board of directors, in its sole discretion, deems appropriate and the Director appointed under the *Canada Business Corporations Act* may permit;
- (b) any one director or officer be and is hereby authorized to send to the Director appointed under the *Canada Business Corporations Act* Articles of Amendment of the Corporation in the prescribed form, and any one or more directors are hereby authorized to prepare, execute and file Articles of Amendment in the prescribed form in order to give effect to this special resolution and the Name Change, and to execute and deliver all such other deeds, documents and other writings and perform such other acts as may be necessary or desirable to give effect to this special resolution; and
- (c) notwithstanding approval of the shareholders of the Corporation as herein provided, the Board may, in its sole discretion, revoke the special resolution before it is acted upon without further approval of the shareholders of the Corporation."

The Board unanimously recommends that Shareholders vote in favour of the Name Change Resolution. The persons designated as proxyholders in the accompanying Instrument of Proxy (absent contrary directions) intend to vote FOR the Name Change Resolution.

(1) During the year ended September 30, 2024, the Company changed its accounting policy with respect to exploration and evaluation expenditures on mineral exploration properties, such that exploration and evaluation expenditures, including acquisition costs, are now expensed as incurred.

CORPORATE GOVERNANCE PRACTICES

National Instrument 58-101 Disclosure of Corporate Governance Practices and *National Policy 58-201 Corporate Governance Guidelines* set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Board of Directors

1. Independent Directors

The independent directors of the Corporation are Robin Dow, Larry Segerstrom, and Donald Birak.

2. Non Independent Directors

The non-independent directors of the Corporation are Mr. Jeffrey York in light of his position as Chairman of the Board and Dean Hanisch in light of his position as President & CEO.

Two of the current three directors are independent; the Board is thus composed of a majority of independent directors. Meetings of the Board are chaired by Jeffrey York. If necessary, the independent members of the Board can meet without non-independent directors and members of management present. Important matters are discussed with the Audit Committee of the Board, which is comprised for the most part of independent directors. These factors allow the Board to preserve its independence with respect to management of the Corporation and to exercise its independent supervision over management.

Directorships

The following directors are currently directors of other issuers that are reporting issuers (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction:

Name of Director	Issuer
Jeffrey York	Braille Energy System Inc. Focus Graphite Inc. Grocery Outlet Holding Corp.
Robin Dow	Focus Graphite Inc.
Donald Birak	Silver Hammer Mining Corp.
Larry Segerstrom	Almadex Minerals Ltd. Giant Mining Corp. Great Eagle Gold Corp.

Orientation and Continuing Education

The Corporation does not currently have a formal orientation program for new directors. The Board has not at this time taken any measures to provide continuing education for the directors. However, the directors of the Corporation are encouraged to attend, at the Corporation's expense, any seminar given by the TSX-V or the Canadian Securities Administrators relating to the management of a public company or relating to their responsibilities as a director of a public company. Furthermore, the directors are given access to the Corporation's legal advisors for any questions they may have relating to such responsibilities.

Ethical Business Conduct

In light of the Corporation's stage of development and its limited number of employees, the Board has not taken formal steps to encourage and promote a culture of ethical business conduct.

Nomination of Directors

The Board does not have a nominating committee. The current size and composition of the Board allows the entire Board to take the responsibility for finding and nominating new directors, taking into consideration the competencies, skills, experiences, and ability to devote the required time.

Compensation

The process of compensation is described in the above section "Compensation of Executive Officers and Directors".

Other Board Committees

The Board does not have any standing committee other than the Audit Committee.

Assessments

To date, no formal evaluation has been put in place to evaluate the effectiveness of the directors, the descriptions of the positions held or the competence and qualifications that each director is required to bring to the Board. This task is the responsibility of the Board who punctually reviews its operations as well as its directors' role, and its members are encouraged to give feedback regarding the effectiveness of the Board as a whole, its practices and individual directors will, when necessary, make recommendations to the Board.

Disclosure on Diversity and Representation of the Board and Senior Management under the CBCA

The diversity information disclosed herein relates to the representation of women, Indigenous peoples (First Nations, Inuit and Metis), persons with disabilities and members of visible minorities, defined as designated groups, on the Board of Directors and in senior management of the Corporation as of July 16, 2024.

The Corporation has not adopted written policies and targets relating to the representation of designated groups given that the Corporation is a junior exploration company involved in the exploration of mining projects, that it has no employees, and its business relations are limited.

Given the size of the Board and the operations of the Corporation, the Corporation has not adopted term limits for members of the Board. Directors are elected for a period of one year until the next annual general meeting of shareholders.

The Board of Directors of the Corporation considers diversity in identifying and nominating candidates for election or re-election to the board as well as for making senior management appointments, by carefully evaluating necessary competencies, skills and other qualifications of each candidate as a whole and taking into account the track record in general business management and the ability to devote the time required.

The Corporation has no targets for representation on the board and among senior management for the designated groups. At the present time, one member of senior management may be considered a member of a designated group representing 50% of the senior management of the Corporation, and one member of the Board is a member of a designated group.

SHAREHOLDER PROPOSALS

The *Canada Business Corporations Act* provides, in effect, that a registered holder or beneficial owner of shares that is entitled to vote at an annual meeting of the Corporation may submit to the Corporation notice of any matter that the person proposes to raise at the meeting (referred to as a “**Proposal**”) and discuss at the meeting any matter in respect of which the person would have been entitled to submit a Proposal. The *Canada Business Corporations Act* further provides, in effect, that the Corporation must set out the Proposal in its management information circular along with, if so requested by the person who makes the Proposal, a statement in support of the Proposal by such person. However, the Corporation will not be required to set out the Proposal in its management information circular or include a supporting statement if, among other things, the Proposal is not submitted to the Corporation at least 90 days before the anniversary date of the notice of meeting that was sent to the shareholders in connection with the previous annual meeting of shareholders of the Corporation. As the notice in connection with the Meeting is dated May 5, 2026, the deadline for submitting a proposal to the Corporation in connection with the next annual meeting of shareholders is February 4, 2027.

The foregoing is a summary only; shareholders should carefully review the provisions of the *Canada Business Corporations Act* relating to Proposals and consult with a legal advisor.

OTHER MATTERS

Management knows of no other matter to come before the Meeting. However, if any other matters which are known to the management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the person’s name therein to vote on such matters in accordance with their best judgement.

The pre-approval requirement is satisfied with respect to the provision of non-audit services if:

- (a) DSUs shall be settled on the date established in the Award Agreement; provided, however that in no event shall a DSU Award be settled prior to a Participant's retirement, termination of employment or death, or in the case of a Participant that is a Canadian Participant, later than one (1) year following the date of the applicable Participant's retirement, termination of employment or directorship or death. If the Award Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the date of the Participant's retirement, termination of employment, or death, subject to the delay that may be required under Section 12.8(d) below in the case of a U.S. Taxpayer. Subject to Section 12.8(d) below in the case of a U.S. Taxpayer, and except as otherwise provided in an Award Agreement, on the settlement date for any DSU, each vested DSU will be redeemed for:
- (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above,

in each case as determined by the Plan Administrator in its discretion.

- (b) Any cash payments made under this Section 5.4 by the Corporation to a Participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested DSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.

ARTICLE 6 - RESTRICTED SHARE UNITS

6.1 Granting of RSUs

- (a) The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe,

grant RSUs to any Participant in respect of services rendered in the year of grant. The terms and conditions of each RSU grant shall be evidenced by an Award Agreement.

- (b) The number of RSUs (including fractional RSUs) granted at any particular time pursuant to this Article 6 will be calculated by dividing (i) the amount of any compensation that is to be paid in RSUs, as determined by the Plan Administrator, by (ii) the Market Price of a Share on the Date of Grant.

6.2 RSU Account

All RSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant.

6.3 Vesting of RSUs

Subject to Policy 4.4 of the TSXV, the Plan Administrator shall have the authority to determine the vesting terms applicable to grants of RSUs, which, for certainty, shall not be before the date that is one year following the date of the grant, except if otherwise authorized under Section 10.2.

6.4 Settlement of RSUs

- (a) The Plan Administrator shall have the sole authority to determine the settlement terms, including time of settlement, applicable to the grant of RSUs and such terms will be set forth in the applicable Award Agreement. Subject to Section 12.8(d) below and except as otherwise provided in an Award Agreement, on the settlement date for any RSU, the each vested RSU will be redeemed for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above,

in each case as determined by the Plan Administrator in its discretion.

- (b) Any cash payments made under this Section 6.4 by the Corporation to a Participant in respect of RSUs to be redeemed for cash shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.
- (d) Subject to Section 12.8(d) below and except as otherwise provided in an Award Agreement, no settlement date for any RSU shall occur, and no Share shall be

issued or cash payment shall be made in respect of any RSU, under this Section 6.4 any later than the final Business Day of the third calendar year following the year in which the RSU is granted.

ARTICLE 7 - PERFORMANCE SHARE UNITS

7.1 Granting of PSUs

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant PSUs to any Participant in respect of services rendered in the year of grant. The terms and conditions of each PSU grant, including time of settlement, shall be evidenced by an Award Agreement. Each PSU will consist of a right to receive a Share, cash payment, or a combination thereof (as provided in Section 7.6(a)), upon the achievement of such Performance Goals during such performance periods as the Plan Administrator shall establish.

7.2 Terms of PSUs

The Performance Goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the termination of a Participant's employment and the amount of any payment or transfer to be made pursuant to any PSU will be determined by the Plan Administrator and by the other terms and conditions of any PSU, all as set forth in the applicable Award Agreement.

7.3 Performance Goals

The Plan Administrator will issue Performance Goals prior to the Date of Grant to which such Performance Goals pertain. The Performance Goals may be based upon the achievement of corporate, divisional or individual goals, and may be applied relative to performance relative to an index or comparator group, or on any other basis determined by the Plan Administrator. The Plan Administrator may modify the Performance Goals as necessary to align them with the Corporation's corporate objectives, subject to any limitations set forth in an Award Agreement or an employment or other agreement with a Participant. The Performance Goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur), all as set forth in the applicable Award Agreement.

7.4 PSU Account

All PSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant.

7.5 Vesting of PSUs

Subject to Policy 4.4 of the TSXV, the Plan Administrator shall have the authority to determine the vesting terms applicable to grants of PSUs, which, for certainty, shall not be before the date that is one year following the date of the grant, except if otherwise authorized under Section 10.2.

7.6 Settlement of PSUs

- (a) The Plan Administrator shall have the authority to determine the settlement terms applicable to the grant of PSUs, which shall be set forth in the applicable Award Agreement. Subject to Section 12.8(d) below and except as otherwise provided in an Award Agreement, on the settlement date for any PSU, each vested PSU will be redeemed for:
- (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above,
- in each case as determined by the Plan Administrator in its discretion.
- (b) Any cash payments made under this Section 7.6 by the Corporation to a Participant in respect of PSUs to be redeemed for cash shall be calculated by multiplying the number of PSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.
- (d) Subject to Section 12.8(d) below and except as otherwise provided in an Award Agreement, no settlement date for any PSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any PSU, under this Section 7.6 any later than the final Business Day of the third calendar year following the year in which the PSU is granted.

ARTICLE 8 - OTHER SHARE-BASED AWARDS

Subject to prior acceptance of the Exchange, the Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Other Share-Based Awards to any Participant. The terms and conditions of each Other Share-Based Award grant shall be evidenced by an Award Agreement. Each Other Share-Based Award shall consist of a right (1) which is other than an Award or right described in Article 4, Article 5, Article 6, and Article 7 above, and (2) which is denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares) as are deemed by the Plan Administrator to be consistent with the purposes of the Plan; provided, however, that such right will comply with applicable law. Subject to prior acceptance of the Exchange, the terms of this Plan, and any applicable Award Agreement, the Plan Administrator will determine the terms and conditions of Other Share-Based Awards. Shares or other securities delivered pursuant to a purchase right granted under this Article 8 will be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including, without limitation, cash, Shares, other

securities, other Awards, other property, or any combination thereof, as the Plan Administrator shall determine in its discretion.

ARTICLE 9 - ADDITIONAL AWARD TERMS

9.1 Dividend Equivalents

- (a) Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, and subject to the restrictions of the Exchange set out in Subsection 3.7(a) above (if the Corporation is subject to the policies of the TSXV), as part of a Participant's grant of DSUs, PSUs or RSUs (as applicable) and in respect of the services provided by the Participant for such original grant, DSUs, PSUs and RSUs (as applicable) shall be credited with dividend equivalents in the form of additional DSUs, PSUs or RSUs, as applicable, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be in the amount a Participant would have received if the DSUs, PSUs or RSUs had been settled for Shares on the record date of such dividend. Dividend equivalents credited to a Participant's account shall be subject to the same terms and conditions, including vesting and time of settlement, as the DSUs, PSUs or RSUs, as applicable, to which they relate. Notwithstanding any other terms of this Plan, if the number of securities issued as dividend equivalents, together with all of the Corporation's other share-based compensation would exceed any of the limits set forth in this Plan or Policy 4.4 of the TSXV, then the Corporation may make payment for such dividend in cash to the extent that it does not have a sufficient number of Shares available under this Plan to satisfy its obligations in respect of such dividends.
- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

9.2 Blackout Period

In the event that an Award expires, at a time when an undisclosed material change or material fact in the affairs of the Corporation exists, subject to the requirements of Policy 4.4 of the TSXV, the expiry of such Award will be extended to a date that is no later than 10 business days after the expiry of the blackout period formally imposed by the Corporation pursuant to its internal trading policies as a result of the undisclosed material change or material fact.

9.3 Withholding Taxes

Notwithstanding any other terms of this Plan, and subject to Policy 4.4 of the TSXV, the granting, vesting or settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or an Affiliate of the Corporation is obliged to withhold or remit to the relevant taxing authority in respect of the granting, vesting or

settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or an Affiliate of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or any Affiliate to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount, or (c) enter into any other suitable arrangements for the receipt of such amount.

9.4 Recoupment

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or the relevant subsidiary of the Corporation and in effect at the Date of Grant of the Award, or as set out in the Participant's employment agreement, Award Agreement or other written agreement, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 9.4 to any Participant or category of Participants.

ARTICLE 10 - TERMINATION OF EMPLOYMENT OR SERVICES

10.1 Termination of Employment, Services or Director

Subject to Section 10.2 and subject to Awards expiring within a maximum of one (1) year following a Participant ceasing to be an eligible Participant by way of death or otherwise, unless otherwise determined by the Plan Administrator or as set forth in an employment agreement, Award Agreement or other written agreement:

- (a) where a Participant's employment, consulting agreement or arrangement is terminated or the Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant or termination by the Corporation or a subsidiary of the Corporation for Cause, then any Option or other Award held by the Participant that has not been exercised as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date;
- (b) where a Participant's employment, consulting agreement or arrangement is terminated by the Corporation or a subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice) then any unvested Options or other Awards held by the Participant as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date. Any vested Awards held by the Participant as of the Termination Date may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is ninety (90) days after the Termination Date. Any

Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;

- (c) where a Participant becomes Disabled, then any Award held by the Participant that has not vested as of the date of the Disability of such Participant shall continue to vest in accordance with its terms and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the first anniversary of the Participant's date of Disability. Any Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (d) where a Participant's employment, consulting agreement or arrangement is terminated by reason of the death of the Participant, then any Award held by the Participant that has not vested as of the date of the death of such Participant shall vest on such date and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the first anniversary of the date of the death of such Participant. Any Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period. The entitlement to make a claim by heirs/administrator must not exceed one (1) year from the Participant's death;
- (e) where a Participant's employment, consulting agreement or arrangement is terminated due to Retirement, then any Award held by the Participant that has not vested as of the date of such Retirement shall continue to vest in accordance with its terms and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the first anniversary of the Participant's date of Retirement. Any Option that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (f) a Participant's eligibility to receive further grants of Options or other Awards under this Plan ceases as of:
 - (i) the date that the Corporation or a subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment, consulting agreement or arrangement is terminated, notwithstanding that such date may be prior to the Termination Date; or
 - (ii) the date of the death, Disability or Retirement of the Participant;
- (g) notwithstanding Subsection 10.1(b), unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options or other Awards are not affected by a change of employment or consulting agreement or arrangement, or directorship within or among the Corporation or a subsidiary of the

Corporation for so long as the Participant continues to be a Director, Officer Employee, Management Company Employee or Consultant, as applicable, of the Corporation or a subsidiary of the Corporation; and

- (h) any Award granted or issued to any Participant who is a Director, Officer, Employee, Consultant or Management Company Employee must expire within a reasonable period, not exceeding twelve (12) months, following the date the Participant ceases to be an eligible Participant under the Plan.

10.2 Discretion to Permit Acceleration

Notwithstanding the provisions of Section 10.1 but subject to compliance with the policies of the Exchange, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator and with respect to Awards to U.S. Taxpayers, in a manner that does not result in adverse tax consequences under Section 409A of the Code. Notwithstanding the following, Options granted to Investor Relations Service Providers cannot be accelerated without the prior acceptance of the Exchange.

10.3 Participants' Entitlement

Except as otherwise provided in this Plan, Awards previously granted under this Plan are not affected by any change in the relationship between, or ownership of, the Corporation and an Affiliate of the Corporation. For greater certainty, all grants of Awards remain outstanding and are not affected by reason only that, at any time, an Affiliate of the Corporation ceases to be an Affiliate of the Corporation.

ARTICLE 11 - EVENTS AFFECTING THE CORPORATION

11.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Article 11 would have an adverse effect on this Plan or on any Award granted hereunder.

11.2 Change in Control

- (a) The Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause: (i) subject to prior acceptance of Exchange, the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the

Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control provided that such Participant ceases to be an eligible Participant under this Plan upon such Change of Control; (iii) subject to prior acceptance by the Exchange, the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Corporation without payment); (iv) subject to prior acceptance by the Exchange, the replacement of such Award with other rights or property selected by the Board in its sole discretion; or (v) subject to prior acceptance by the Exchange, any combination of the foregoing. In taking any of the actions permitted under this Subsection 11.2(a), the Plan Administrator will not be required to treat all Awards similarly in the transaction. Notwithstanding the foregoing, in the case of Options held by a Canadian Taxpayer, the Plan Administrator may not cause the Canadian Taxpayer to receive (pursuant to this Subsection 11.2(a)) any property in connection with a Change of Control other than rights to acquire shares of a corporation or units of a "mutual fund trust" (as defined in the Tax Act), of the Corporation or a "qualifying person" (as defined in the Tax Act) that does not deal at arm's length (for purposes of the Tax Act) with the Corporation, as applicable, at the time such rights are issued or granted.

- (b) Notwithstanding Subsection 11.2(a), and unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on an Exchange, then the Corporation may terminate all of the Awards granted under this Plan (other than Options held by Canadian Taxpayers) at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably, or in the case of Options held by a Canadian Taxpayer by permitting the Canadian Taxpayer to surrender such Options to the Corporation for an amount for each such Option equal to the fair market value of such Option as determined by the Plan Administrator, acting reasonably, upon the completion of the Change in Control (following which such Options may be cancelled for no consideration).
- (c) It is intended that any actions taken under this Section 11.2, or under Sections 11.3 and 11.4, will comply with the requirements of Section 409A of the Code with respect to Awards granted to U.S. Taxpayers and with the requirements of

paragraph 6801(d) of the *Income Tax Regulations* (Canada) with respect to DSUs granted to Canadian Participants.

- (d) Any actions taken under this Section 11.2 will comply with the policies of the Exchange including, without limitation, the requirement that the acceleration of vesting of Options granted to Investor Relations Service Providers shall only occur with the prior written approval of the Exchange.

11.3 Reorganization of Corporation's Capital

Subject to the prior approval of the Exchange, if applicable, should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, then the Plan Administrator in consultation with the Board will take such steps as are required to preserve the proportionality of the rights and obligations of the Participants holding such Awards as it deems equitable and appropriate.

11.4 Other Events Affecting the Corporation

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange (if required), authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

11.5 Immediate Acceleration of Awards

In taking any of the steps provided in Sections 11.3 and 11.4, the Plan Administrator will not be required to treat all Awards similarly and where the Plan Administrator determines that the steps provided in Sections 11.3 and 11.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required, to permit the immediate vesting of any unvested Awards, other than any Options granted to an Investor Relations Service Provider and subject to Section 4.6 of Policy 4.4 of the TSXV.

11.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 11, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards or other entitlements of the Participants under such Awards.

11.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, (whether as a result of any adjustment under this Article 11, a dividend equivalent or otherwise), a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 12 - U.S. TAXPAYERS

12.1 Provisions for U.S. Taxpayers

In the case of a Participant who is a U.S. Taxpayer, Options may only be awarded to such Participant to the extent the Participant performs direct services to (A) the Corporation or any entity (other than the Corporation), in an unbroken chain of corporations (or other entities) beginning with the Corporation, in which each of the corporations (or other entities) other than the last corporation or other entity in the unbroken chain owns, directly or indirectly, equity representing at least 50% of the voting power of all classes of equity entitled to vote or at least 50% of the value of all classes of equity in one of the other corporations (or other entities) in such chain, or (B) to an entity that otherwise qualifies as an eligible issuer of service recipient stock pursuant to United States Treasury Regulation Section 1.409A-1(b)(5)(iii)(E)(1). Options granted under this Plan to U.S. Taxpayers may be non-qualified stock options or incentive stock options qualifying under Section 422 of the Code (“ISOs”). Each Option shall be designated in the Award Agreement as either an ISO or a non-qualified stock option, and if no designation is made, the Option will be a non-qualified stock option. The Corporation shall not be liable to any Participant or to any other Person if it is determined that an Option intended to be an ISO does not qualify as an ISO.

12.2 ISOs

Subject to any limitations in Section 3.6, the aggregate number of Shares reserved for issuance in respect of granted ISOs shall not exceed 4,158,669 Shares, and the terms and conditions of any ISOs granted to a U.S. Taxpayer on the Date of Grant hereunder, including the eligible recipients of ISOs, shall be subject to the provisions of Section 422 of the Code, and the terms, conditions, limitations and administrative procedures established by the Plan Administrator from time to time in accordance with this Plan. At the discretion of the Plan Administrator, ISOs may be granted to any employee of the Corporation, or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Sections 424(e) and (f) of the Code. No ISOs may be granted more than ten (10) years after the earlier of (i) the date on which the Board adopts the most recent amendment and restatement of the Plan, or (ii) the date on which the shareholders of the Corporation approve such most recent amendment and restatement of the Plan. An ISO may be exercised during the Participant’s lifetime only by such Participant. An ISO may not be transferred, assigned, pledged, hypothecated or otherwise disposed of by the Participant, except by will or by the laws of descent and distribution.

12.3 ISO Term and Exercise Price; Grants to 10% Shareholders

Notwithstanding anything to the contrary in this Plan, the term of an ISO shall not exceed ten (10) years, and the exercise price of an ISO shall be not less than one hundred percent (100%) of the Fair Market Value on the applicable grant date; *provided, however*, that if an ISO is granted to a person who owns shares representing more than 10% of the voting power of all classes of shares of the Corporation or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Section 424(e) and (f) of the Code, on the Date of Grant, the term of the ISO shall not exceed five years from the time of grant of such ISO and the Exercise Price shall be at least 110% of the Fair Market Value of the Shares subject to the ISO.

12.4 \$100,000 Per Year Limitation for ISOs

To the extent the aggregate Fair Market Value as at the Date of Grant of the Shares for which ISOs are exercisable for the first time by any person during any calendar year (under all plans of the Corporation) exceeds \$100,000, such excess ISOs shall be treated as non-qualified stock options.

12.5 Disqualifying Dispositions

Each person awarded an ISO under this Plan shall notify the Corporation in writing immediately after the date he or she makes a disposition or transfer of any Shares acquired pursuant to the exercise of such ISO if such disposition or transfer is made (a) within two years from the Date of Grant or (b) within one year after the date such person acquired the Shares. Such notice shall specify the date of such disposition or other transfer and the amount realized, in cash, other property, assumption of indebtedness or other consideration, by the person in such disposition or other transfer. The Corporation may, if determined by the Plan Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable person until the end of the later of the periods described in (a) or (b) above, subject to complying with any instructions from such person as to the sale of such Shares.

12.6 ISO Status Following Termination of Employment

An ISO shall be exercisable in accordance with its terms under the Plan and the applicable Award Agreement or certificate awarding the ISO. However, in order to retain its treatment as an ISO for U.S. federal income tax purposes, the ISO must be exercised within the time periods set forth below. If an ISO is not exercised within the time periods below, but the Option otherwise would remain exercisable following such time periods pursuant to the terms of the Award Agreement, then, following the expiration of the time periods below without exercise the ISO will be converted to a non-qualified stock option.

- (a) If a Participant who has been granted an ISO ceases to be an employee for any reason other than the death or disability (within the meaning of Code Section 22(e)) of such Participant, such ISO must be exercised (to the extent such ISO was exercisable on the date of termination) by such Participant within three months following the date of termination (but in no event beyond the Expiry Date of such ISO).

- (b) If a Participant who has been granted an ISO ceases to be an employee due to the disability of such Participant (within the meaning of Code Section 22(e)), such ISO must be exercised (to the extent it is exercisable by its terms) by the date that is one year following the date of such disability, but in no event beyond the Expiry Date of such ISO.
- (c) For purposes of this Section 12.6, the employment of a Participant who has been granted an ISO will not be considered interrupted or terminated upon (a) sick leave, military leave or any other leave of absence approved by the Corporation that does not exceed ninety (90) days in the aggregate; provided, however, that if reemployment upon the expiration of any such leave is guaranteed by contract or applicable law, such ninety (90) day limitation will not apply, or (b) a transfer from one office of the Corporation (or of any parent or subsidiary of the Corporation as defined in Code Sections 424(e) and (f)) to another office of the Corporation (or of any such parent or subsidiary) or a transfer between the Corporation and any such parent or subsidiary.

12.7 Shareholder Approval for ISO Purposes

In the event the Plan is not approved by the shareholders of the Corporation in accordance with the requirements of Section 422 of the Code within twelve (12) months of the date of adoption of the Plan (or the date of any later restatement of the Plan that adds or changes ISO provisions requiring shareholder approval), Options otherwise designated as Incentive Stock Options will be non-qualified stock options.

12.8 Section 409A of the Code

- (a) This Plan will be construed and interpreted to be exempt from, or where not so exempt, to comply with Section 409A of the Code to the extent required to preserve the intended tax consequences of this Plan. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Section 409A of the Code, it is intended that the Award will be granted, paid, settled or deferred in a manner that will meet the requirements of Section 409A of the Code, such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A of the Code. The Corporation reserves the right to amend this Plan to the extent it reasonably determines is necessary in order to preserve the intended tax consequences of this Plan in light of Section 409A of the Code. In no event will the Corporation or any of its subsidiaries or Affiliates be liable for any tax, interest or penalties that may be imposed on a Participant under Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.
- (b) All terms of the Plan that are undefined or ambiguous must be interpreted in a manner that complies with Section 409A of the Code if necessary to comply with Section 409A of the Code.
- (c) Subject to compliance with the policies of the Exchange, the Plan Administrator, in its sole discretion, may permit the acceleration of the time or schedule of payment

of a U.S. Taxpayer's vested Awards in the Plan under circumstances that constitute permissible acceleration events under Section 409A of the Code.

- (d) Notwithstanding anything in the Plan or any Award Agreement to the contrary, to the extent that any amount or benefit that constitutes "deferred compensation" to a Participant under Section 409A and applicable guidance thereunder is otherwise payable or distributable to a Participant under the Plan or any Award Agreement solely by reason of the occurrence of a change in control or due to the Participant's disability or "separation from service" (as such term is defined under Section 409A), such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless the Plan Administrator determines in good faith that (i) the circumstances giving rise to such change in control event, disability or separation from service meet the definition of a change in control event, disability, or separation from service, as the case may be, in Section 409A(a)(2)(A) of the Code and applicable proposed or final regulations, or (ii) the payment or distribution of such amount or benefit would be exempt from the application of Section 409A by reason of the short term deferral exemption or otherwise. In order to comply with both Canadian and U.S. tax rules, RSUs and PSUs will be structured so that the designated settlement/payment date (the "Scheduled Payment Date") for such Award will in all cases be no later than the final Business Day of the third calendar year following the year in which the Award is granted, and settlement will in fact occur by such final Business Day. Further, to the extent that any RSU or PSU is deferred compensation under Section 409A of the Code, then as to any Participant: (i) who is a U.S. Taxpayer, (ii) who is a "specified employee" within the meaning of Section 409A of the Code at the time of his separation from service, and (iii) whose RSU or PSU would by its terms be settled/paid pursuant earlier than the Scheduled Payment Date as a result of his or her Separation from Service, then settlement will occur on the earlier of the date that is six months and one day following the date of Separation from Service and the Scheduled Payment Date as permitted under Section 409A of the Code. With respect to DSUs of a U.S. Taxpayer, where settlement is to occur upon such Participant's Separation from Service, if such Participant is a "specified employee" at the time of his or her separation from service, then settlement will occur on the date that is six months and one day following the date of Separation from Service, or, if earlier, as soon as practical following the date of the Participant's death.

12.9 Section 83(b) Election

If a Participant makes an election pursuant to Section 83(b) of the Code with respect to an Award of Shares subject to vesting or other forfeiture conditions, the Participant shall be required to promptly file a copy of such election with the Corporation.

ARTICLE 13 - AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

13.1 Amendment, Suspension, or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any

Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that:

- (a) no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements;
- (b) any amendment that would cause an Award held by a U.S. Taxpayer be subject to the additional tax penalty under Section 409A(1)(b)(i)(II) of the Code shall be null and void *ab initio* with respect to the U.S. Taxpayer unless the consent of the U.S. Taxpayer is obtained; and
- (c) any amendments to the Plan or to any Awards granted pursuant to the Plan are subject to Exchange approval (including such amendments that do not otherwise trigger approval of the holders of voting shares of the Corporation).

13.2 Shareholder Approval

Notwithstanding Section 13.1 and subject to any rules of the Exchange, approval of the holders of the Shares (including by way of Disinterested Shareholder Approval where required by the Exchange) shall be required for any amendment, modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the limitations set out in Subsection 3.7(a) or 3.7(b), as applicable;
- (c) allows for the grant to Insiders (as a group), within a 12 month period, an aggregate number of Awards exceeding 10% of the Corporation's issued Shares, calculated at the date the Award is granted to the Insider;
- (d) allows for the grant to any one Participant, within a 12 month period, an aggregate number of Awards exceeding 5% of the Corporation's issued Shares, calculated at the date the Award is granted to the Insider;
- (e) reduces the exercise price of an Award to an Insider, in such case Disinterested Shareholder Approval will be required, (for this purpose, a cancellation or termination of an Award of a Participant prior to its Expiry Date for the purpose of reissuing an Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Award);
- (f) extends the term of an Award beyond the original Expiry Date, in such case Disinterested Shareholder Approval will be required if the Participant is an Insider

at the time of the proposed extension, (except where an Expiry Date would have fallen within a blackout period applicable to the Participant);

- (g) increases or removes the limits on the participation of Directors;
- (h) permits Awards to be transferred to a Person;
- (i) changes the eligible participants of the Plan;
- (j) making any amendments to the provisions set out in Article 10; or
- (k) deletes or reduces the range of amendments which require approval of shareholders under this Section 13.2.

13.3 Permitted Amendments

Without limiting the generality of Section 13.1, but subject to Section 13.2 and any rules of the Exchange, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (c) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Directors; or
- (d) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 14 - MISCELLANEOUS

14.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of

any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

14.2 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

14.3 Rights of Participant

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as a Director, Officer, Employee, Management Company Employee or Consultant. No Participant has any rights as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

14.4 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

14.5 Conflict

Subject to compliance with the policies of the Exchange, in the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of the Plan shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's employment agreement with the Corporation or a subsidiary of the Corporation, as the case may be, on the other hand, the provisions of the Plan shall prevail.

14.6 Anti-Hedging Policy

By accepting the Option or Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options or Awards.

14.7 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan (including as to whether the circumstances described in Section 10.1(e) or 12.3 exist). Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

14.8 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and Directors and they are advised to consult with their own tax advisors.

14.9 International Participants

Subject to compliance with the policies of the Exchange, with respect to Participants who reside or work outside Canada, the Plan Administrator may, in its discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

14.10 No Representations or Warranties

The Corporation makes no representation or warranty as to the value of any Award granted or issued under this Plan or as to the future value of any Shares issued pursuant to any Award.

14.11 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its subsidiaries.

14.12 Exchange Hold Period

All Awards granted are subject to Exchange Hold Period where applicable. For Options, a 4-month hold period (commencing on the date the Options are granted) is required for Options granted to Insiders or granted at any discount to the Market Price.

14.13 Press Release

A press release is required at the time of the grant, issuance, or amendment of an Award to directors, officers and Investor Relations service providers.

14.14 Award to Particular Persons

No Award may be granted or issued unless the Award is allocated to a particular person.

14.15 General Restrictions on Assignment

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not

capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

14.16 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

14.17 Notices
